GOVINDALAPUDI VIJAYA NOOKA RAJU

Software Engineer Fresher | B.Tech, Internet of Things (2027)

+91 8309015953 | Email | Tatiparthi, Kakinada District, Andhra Pradesh

LinkedIn | GitHub

PROFESSIONAL SUMMARY

Final-year B.Tech student specializing in Internet of Things (IoT), with foundational skills in Python, C, data structures, DBMS, cloud computing, and generative AI. Experience through academic projects in AI-assisted learning, financial support tools, and secure storage concepts, along with cloud and generative AI internships. Seeking an entry-level software engineering opportunity.

TECHNICAL SKILLS

Programming: Python, C | Fundamentals: Data Structures, DBMS

Web: HTML, CSS | Cloud: Google Cloud Platform (GCP)

Tools: Git, GitHub, VS Code | Areas: Internet of Things, Generative AI, Prompt Engineering

PROJECTS

EduGenie – Gemini Learning Assistant | GitHub | Live Demo

- Built an AI-powered educational assistant for personalized learning, including question answering, concept explanations, quiz generation, and text summarization.
- Used Gemini AI to support interactive learning experiences.

PenX – Secure Smart Storage Platform | GitHub

- Designed a smart storage solution combining physical storage with cloud backup concepts, focused on data security and accessibility.
- Explored encrypted file storage, authentication, and cloud synchronization features.

FinRelief AI – AI-Powered Debt Relief & Financial Recovery Platform

- Developed an AI-assisted platform concept for debt management and financial recovery, including settlement recommendations and negotiation letter generation.

INTERNSHIPS

Cloud Computing Intern | APSSDC

- Studied cloud services, deployment models, infrastructure fundamentals, and cloud-based application workflows.

Google Cloud Generative AI Intern | SmartBridge

- Explored Gemini models, Vertex AI, prompt engineering, and AI-powered application development concepts.

EDUCATION

B.Tech in Internet of Things (IoT) | Aditya College of Engineering and Technology, Surampalem | 2023–2027 | CGPA: 8.23

Higher Secondary Education | Madhuri Junior College, Gollaprolu | 2021–2023 | CGPA: 8.22

CERTIFICATIONS & TRAINING

- APSSDC – Cloud Computing Internship | Certificate
- SmartBridge – Google Cloud Generative AI Internship | Certificate
- HP – Data Science & Analytics | Certificate
- IBM – Getting Started with Artificial Intelligence | Certificate
- Digital Application Fundamentals (STEM) | Certificate
- HP – Digital Business Skills | Certificate
